All puppies are sold on contracts tailored to each one's needs. One of the specifications in the contract is that if at any time during the dog's life you are no longer willing or able to keep them, then you are to contact HWK9's and we will gladly take back the dog. If we are unable to take the dog back, we will do everything we can to help rehome them to an approved home. This is not open for negotiation. If you become a parent of one of our puppies, the pup is never to be given away, abandoned, sold, placed in a rescue, animal shelter, or a pet store no matter what age the dog is. This also includes giving the dog to a family member, friend, neighbor etc. Do you understand this?

Do you agree to this? _____
